RECOMMENDED LEARNER Alex M. Santos	GRADE AND TRACK Grade 12 - STEM
RECOMMENDER Lina R. Cruz	DATE September 1, 2026

RECOMMENDATION

To the Scholarship Review Committee,

I recommend Alex M. Santos for consideration in a scholarship pre-screening process. In this fictional demonstration record, Alex consistently completes school work, participates responsibly in group activities, and shows interest in science and technology learning.

The applicant would benefit from educational support for transportation, learning materials, and continued preparation for college. Please evaluate the applicant using your published eligibility rules and authentic supporting records in a real application.
